FINANCIAL AID APPLICATION DEADLINE EXTENDED TO: APRIL 16, 2020
TO APPLY: <https://online.factsmgt.com/aid>

March 30, 2020

Dear Parent/Guardian,

First and foremost, we would like to offer our thoughts and prayers to you and yours during this challenging time. We know that life has been turned upside down for everyone and hope that you and your family are safe, healthy and managing as well as possible under the circumstances.

Due to New Jersey's "Stay-At-Home" order and the challenge it may pose to some families who wish to apply for financial aid, the application deadline has been extended to **Thursday, April 16, 2020** for both the Diocese of Metuchen's Foundation for Catholic Education Scholarship Program, and the Hope through Education Scholarship Program.

Applicants must submit their completed application, upload their 2018 IRS 1040 and 2019 W2's and/or 1099's, and pay the FACTS Grant & Aid assessment fee of \$35 by April 16. For applicants that do not have access to a computer, the FACTS Grant and Aid application platform can also be accessed by smart phone, and all required documents can be uploaded to the application by taking a picture of each document page and following the directions provided in the application.

If you have general questions about the application process, contact an FGAA Customer Care Representative at (866) 315-9262. For questions regarding eligibility, documentation and/or deadlines, please call the Tuition Assistance Hotline at (732) 562-1990, ext. 1610, or send us an email at info@hopethrougheducationusa.org.

Sincerely,

Tamara Hemingway
Executive Director
